Lash Lifting

\$80 - 45 minutes

Lash Lifting is a face-enhancing beauty treatment designed to give straight eyelashes an attractive upwards curl without the daily need for eyelash curlers.

- Create instant length and the illusion of bigger, brighter, ultra-feminine eyes
- Eliminate the need for eyelash curlers for up to 6 weeks

Enhance your lashes even further with a Keratin boost (\$10) and or compliment them with a Lash Tint (\$28).

Lash Extensions

\$175/Full Set - 2 hours | \$65/Refill - 45 minutes

This revolutionary new service extends your natural eyelashes and draws attention to your eyes. Semi-permanent eyelash extensions give you longer, thicker and natural looking eyelashes.

- Create a rich looking appearance that eliminates the need for mascara
- Create thicker, longer eyelashes that are safe in the shower, while swimming, sleeping or exercise

We specialize in safe and customized eyelash extensions. Our exclusive technique tailors a perfect design for each individual's unique eye shape using our custom-built mapping system. They are adhered one by one to a natural lash with a medical-grade bonding adhesive giving the appearance of a darker, more voluptuous lash-line.
