Policies, Procedures & Usage for The Aquatic Center at Cornerstone

- For safety reasons, it is the users responsibility to reset the spa pool jets.
- Showers are encouraged before entering any of the pools.
- The Spa and Healing Pools are for adult (16 and up) use unless accompanied by an instructor or therapist.
- **Food and glass containers are not permitted in the pool area.**
- Running, rough play, and unsafe behavior are not permitted in the pool or on the pool deck.
- Utilization of pool space will be determined by management and enforced by staff.
- No diving allowed; diving instruction will only be done in swim lessons.
- Equipment must be returned to the appropriate location.
- In the event that thunder is heard or lightning is seen, the pool and entire pool area must be closed, cleared, and secure; activity may resume thirty minutes after the last observed lightning or thunder.
- Street clothes are not permitted in the pools; appropriate swim wear is required.

Other Information

The Pool Schedule: Reflects current allotment of space for all groups. Swim lessons are available and utilize pool space throughout all hours of club operation. Slight modifications may be made to accommodate the needs of members, participants, and/or guests. All ongoing changes to the schedule for holidays, guest days, or in-service trainings will be posted.

Family Swim: A maximum of 2 children per adult is allowed. Children under 6 must use a provided flotation device and be accompanied by an adult in the water for Family Swim. Children ages 13-15 are permitted to swim laps during Family Swim only and must use good etiquette.

Water Exercise Classes: Lane lines will be moved by the lifeguard based on the scheduled allotment before class starts. Allotments are done on a quarterly basis using attendance averages. Other space in the pool is allotted for fitness swimming and lessons.

Lap Swimming: Lane splitting or circle swimming are **required** to accommodate all swimmers.

Fitness Swimming: All non-lap swimming activities including water walking and independent exercise are to be done in this space.

Cleaning, Water Treatment and Routine Maintenance: All three pools will close as needed for maintenance. Pools will be closed if chemical treatment of water is necessary due to levels outside of safe bathing ranges. Harsh chemicals will not be used while members and guests are swimming. There will be mild cleaning done during non-prime times.
