# Cornerstone Warrington Class Descriptions

## FITNESS

**Cardio Sport** A fun, high energy group class that uses sport-based drills along with traditional fitness exercises for a unique workout.

**Chair Fit** A low impact, chair-based cardio class with strength work.

**Come & Cruise** Low intensity indoor cycling class designed to accommodate members of all ages who want to enjoy a modified cycling class.

**Core Training** A variety of exercises to strengthen the abs and back that will help you build a stronger core. 30 minutes.

**Core/Flex Training** A combination of our Flexibility and Core Training classes - get the best of both!

**Flexibility Training** Foam rolling and general stretching that relaxes, restores and increases flexibility. 30 minutes.

**Group Active™** *GET ACTIVE* and get more out of life! Group Active™ gives you all the fitness training you need - cardio, strength, balance and flexibility - in just one hour. Get stronger, fitter and healthier with inspiring music, adjustable dumbbells, weight plates, body weight and simple athletic movements. Activate your life with Group Active!

**Interval Burn** A full body blast – cardio and strength with surprise features! Test your limits here!

**Punch N' Tone** Get your sweat on with high energy cardio boxing, basic strength training and ab exercises. Low impact, high energy!

**Spinning®** High energy indoor cycling at it's best! Please note: there is a 25 hour advance sign up policy required for all spin classes. *Spin Express* is a 45 minute class.

**Spin® + Strength** Same high energy indoor cycling class but with the added bonus of tubing and body weight strength intervals. This workout is a great way to complement the lower body muscle benefits of spinning with some upper body and core resistance training! Please note: there is a 25 hour advance sign up policy required for all spin classes.

**Tighten N' Tone** A group weight workout in the studio that is suitable for all fitness levels. All major muscle groups will be targeted. Express class is 45 minutes long.

**Zumba®** Pair pulsating Latin dance music with international dance steps for one hot class.

**Zumba® Gold** "Gold" uses the Zumba formula and modifies the moves and pacing to suit the needs of active older participants, as well as those just starting their journey to a fit and healthy lifestyle.

**Zumba® Gold Toning** This class offers the best of both worlds—the awesome Zumba experience with the benefits of strength training. It's an easy-to-follow, health boosting dance-fitness program for baby boomers as well as beginners.

## MIND/BODY

**Barre Fitness** This exhilarating class will give you the long, lean muscles of a dancer by toning your seat, abs and arms while it strengthens your core. Highly effective exercises are performed using chairs as the barre and also on the floor, taking your muscles to the point of fatigue. Then, each strength section is followed by a stretching interval to create a beautiful, supple body. Proper alignment will always be emphasized, encouraging amazing posture! **Barre Fitness Express** is 45 minutes.

**Chair Yoga** Gentle yoga stretches performed seated for those who need the support of a chair.

**Hatha Yoga** Focuses on learning and practicing basic to intermediate poses (asanas), alignment principles, breathing techniques and relaxation. Appropriate for all levels. **Hatha/Meditation** has the added benefit of meditation. **Grounded Hatha Yoga** - A Hatha yoga class, primarily practiced on the floor that grounds you in feeling centered and supported. Appropriate for all levels

**Kundalini** A physical and meditative discipline comprised of a set of techniques that use the mind, senses and body to create a communication between "mind" and "body". This is a Kundalini style class that is appropriate for all levels.

**Pilates Mat** A total body workout that stretches and strengthens core musculature as well as the back, hips, thighs and gluteals. **Pilates Mat Express** is 45 minutes long. **Level 2** class is for people with Pilates Mat experience who are looking to take their training to the next step.

**Tai Chi** A Chinese exercise system that uses slow, smooth body movements to achieve a state of relaxation of both body and mind. Beginner class available for those new to the practice.

**Vinyasa** A fluid, strong practice that incorporates more challenging poses as well as more complex sequencing. This class is suitable for those who are physically fit and have some yoga experience or basic understanding of yoga. This class includes sun salutations and sometimes inversions and/or arm balances. Class is 75 minutes long.

**Yin Yoga** A meditative practice of long-held postures, designed to complement the more active (Vinyasa) style practice. This class opens the body to become more flexible while energizing the organ meridians. Appropriate for all levels.

**Yoga Gently** A softer, gentler approach to a yoga practice. Appropriate for all levels, including beginners and seniors who can get up and down from the floor without assistance.

## POOL \*Note-some pool classes require advance registration (see member services)

**Ai Chi** Let the warmth of our Healing Pool help you relax and unwind in this meditative Tai Chi class adapted specifically for the water.

**Aqua Pilates** Pilates exercises modified for the water; designed to strengthen the abdominals and lower back.

**Aqua Yoga** Relieve stress and increase flexibility with yoga, performed in the warmth of the Healing Pool.

**Arthritis Foundation Aquatic Exercise Program** Created by the Arthritis Foundation, this class is designed specifically for people with arthritis and related conditions. It has proven to reduce pain and stiffness, build strength, and increase range of motion, balance and endurance. This program can benefit participants of all levels – from those who are already exercising to those who have been sedentary due to limited mobility. All fitness levels welcome.

**Deep Water Workout** This moderate to high intensity deep-water class makes you train a bit harder, but is still gentle on the joints.

**Stretch & Strength** A dynamic combination of stretching and toning all done in the gentle environment of the healing pool.

**WaterInMotion™** A fun and high energy calorie burning aqua exercise program that combines cardio training with muscle toning.

**WaterInMotion Platinum™** A low-impact aqua exercise experience that offers active aging adults and deconditioned participants a fun workout improving cardiovascular endurance, agility, balance, strength and flexibility

**Waterlogged** Aquatic high intensity interval training that utilizes both the shallow and deep ends of the pool.
